Installation

Fasten the luminarie in suitable hooks and connect the plug. Equip the luminaire with a suitable light source, then fasten the shade with the gasket between glass and base.

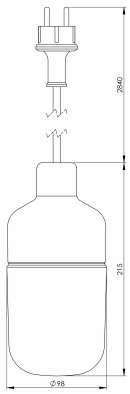
Technical information

Equipped with rubber cable (3m) and plug connection. The luminaire is approved for use in IP44-rated areas.

Maintenance

Switch off the power to the luminaire. Unscrew the glass and clean it, preferably washed in a dishwasher. Do not use cleaning agents containing solvents. Replace the light source if necessary and fasten the shade after cleaning.

Spare parts

Shade: Part no 1-6161-10
Gasket: Part no 02786-1


If the luminaire is modified the person responsible for the modification shall be considered manufacturer. Subject to errors in text. We reserve the right to change the technical specifications (without notice).
