### Installation

Smycka comes with textile cord and a ceiling rose with terminal block along with an accompanying lamp plug. Chose to either connect the terminal block to the lamp plug and plug it in or connect the terminal block directly to the ceiling box. Unscrew the shield ring, put the shade in place and fasten the shield ring that secures the shade again. Put in a light source.

### Technical information

Equipped with textile cable (2m) with ceiling rose and a terminal on the end. Lamp plug included.

### Maintenance

Disconnect the power to the fixture. Unscrew the shade by loosening the shield ring and clean it, wash it with advantage in the dishwasher. Do not use cleaners containing solvents. Switch the light source if necessary. Put back the shade again by fasten the shield ring.
